

OUR FEE STRUCTURE

GP Practice *Current as at 1st July 2025*

Wunan Health is a mixed billing practice. A private fee is payable on the day for your consultation with the Doctor. This applies to both face to face consultations and telehealth consultations. If you are attending our Practice and paying by EFTPOS, we are able to organise your Medicare rebate to be paid back into your bank account at the time of you paying your fees.

As we are a Private Practice, we do not routinely bulk bill consultations with our Doctors - except for *LOCAL children 15 years and under (who are registered with Medicare), as well as *LOCAL Pension, Healthcare & ALL DVA cardholders. Patients are welcome to discuss bulk billing with our Doctors during their consultation. (*LOCAL = confirmed address between Katherine NT and Broome WA)
